I hereby certify the electrical work described on this permit application shall be installed by myself in my single family dwelling in which I am living or about to occupy. All work shall be installed in accordance with the local Electrical Code and shall not be enclosed, covered up, or put into operation until it has been inspected and approved by the Electrical Inspector. I will cooperate with the Electrical Inspector and assume responsibility to arrange for necessary inspections.

Section 23a of the state construction code act of 1972, 1972 PA 230, MCL 125, 1523A, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or a residential structure. Violators of sections 23a are subjected to civil fines.
